Password Creation in Vilnius Academy of Arts (VDA) Virtual Library

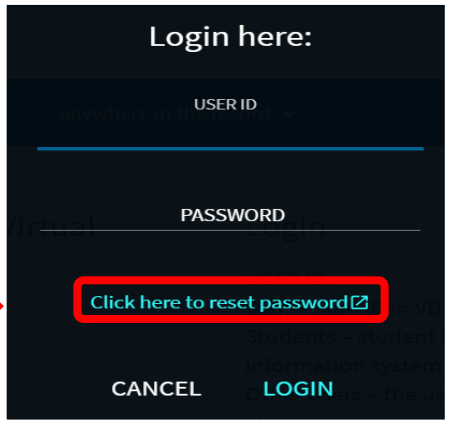

for VDA community members login to:

- VDA Virtual Library https://vb.vda.lt/discovery/search?vid=370LABT_VDA:VDA&lang=en
- eLABa repository https://talpykla.elaba.lt
- remote access to subscribed databases via EZproxy https://login.bazes.vda.lt:2443/login

1. Please select **Sign in** – in the top right corner in VDA Virtual Library https://vb.vda.lt/discovery/search?vid=370LABT_VDA:VDA&lang=en

2. In the form that opens, select ***Click here to reset password***

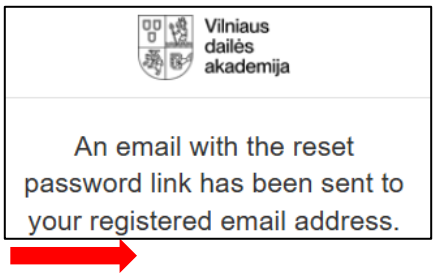

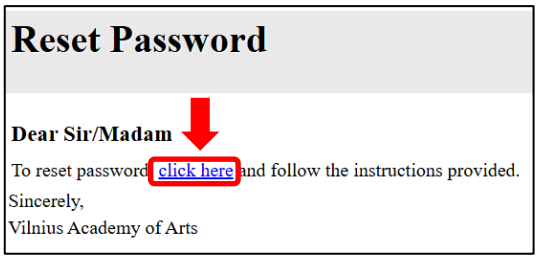

3. In the form that opens, fill **only one field***:

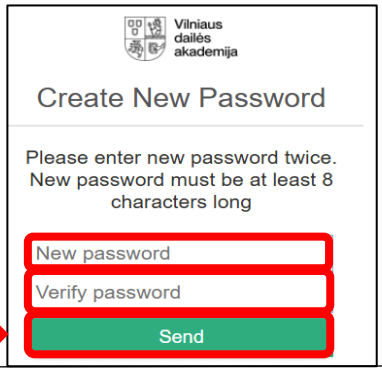

- enter **your VDA email address**.
- select **Send**

4. In the institutional VDA email inbox You will get an email with the link **click here** for the creation of the password by yourself. Please click the link; **create password (at least 8 characters)** and click **Send**. You can connect to the necessary information system.

* Users who do not have VDA email address should enter User ID provided by the library.

If you have questions, please contact us via library@vda.lt or by phone: (+370 5) 2105457.
