

Workshop **NOW**

with Lukas Kindermann

March 19-21, 2019
Klaipėda faculty of
Vilnius Academy of Arts, Lithuania

SCHEDULE

March 19th, Tuesday

11:00 After a short introduction we will look at a few exemplary projects created by international artist that are related to the workshop's theme. Later in an open round we will discuss the first ideas of students so that they can develop their ideas that they want to realize on the next day.

March 20th, Wednesday

10:00 We will shortly meet in an open round to discuss ideas and to see if they are realizable and in which directions they go.

Afternoon: All students will work on their own projects. Lukas Kindermann will be present if there are any kind of questions (open end).

March 21st, Thursday

10:00 Open group meeting where students will present their works. We will discuss the results and what might be the next step.
