International Coordinator: Elena Orlovienė - elena.orloviene@vda.lt

Application process:

Applications must be completed **online**. Please make sure you select "EXCHANGE" before you select your programme. The Nomination form as well as a link to the portfolio should be attached to the application.

Students can apply for up to 3 programmes in one application (any faculty).

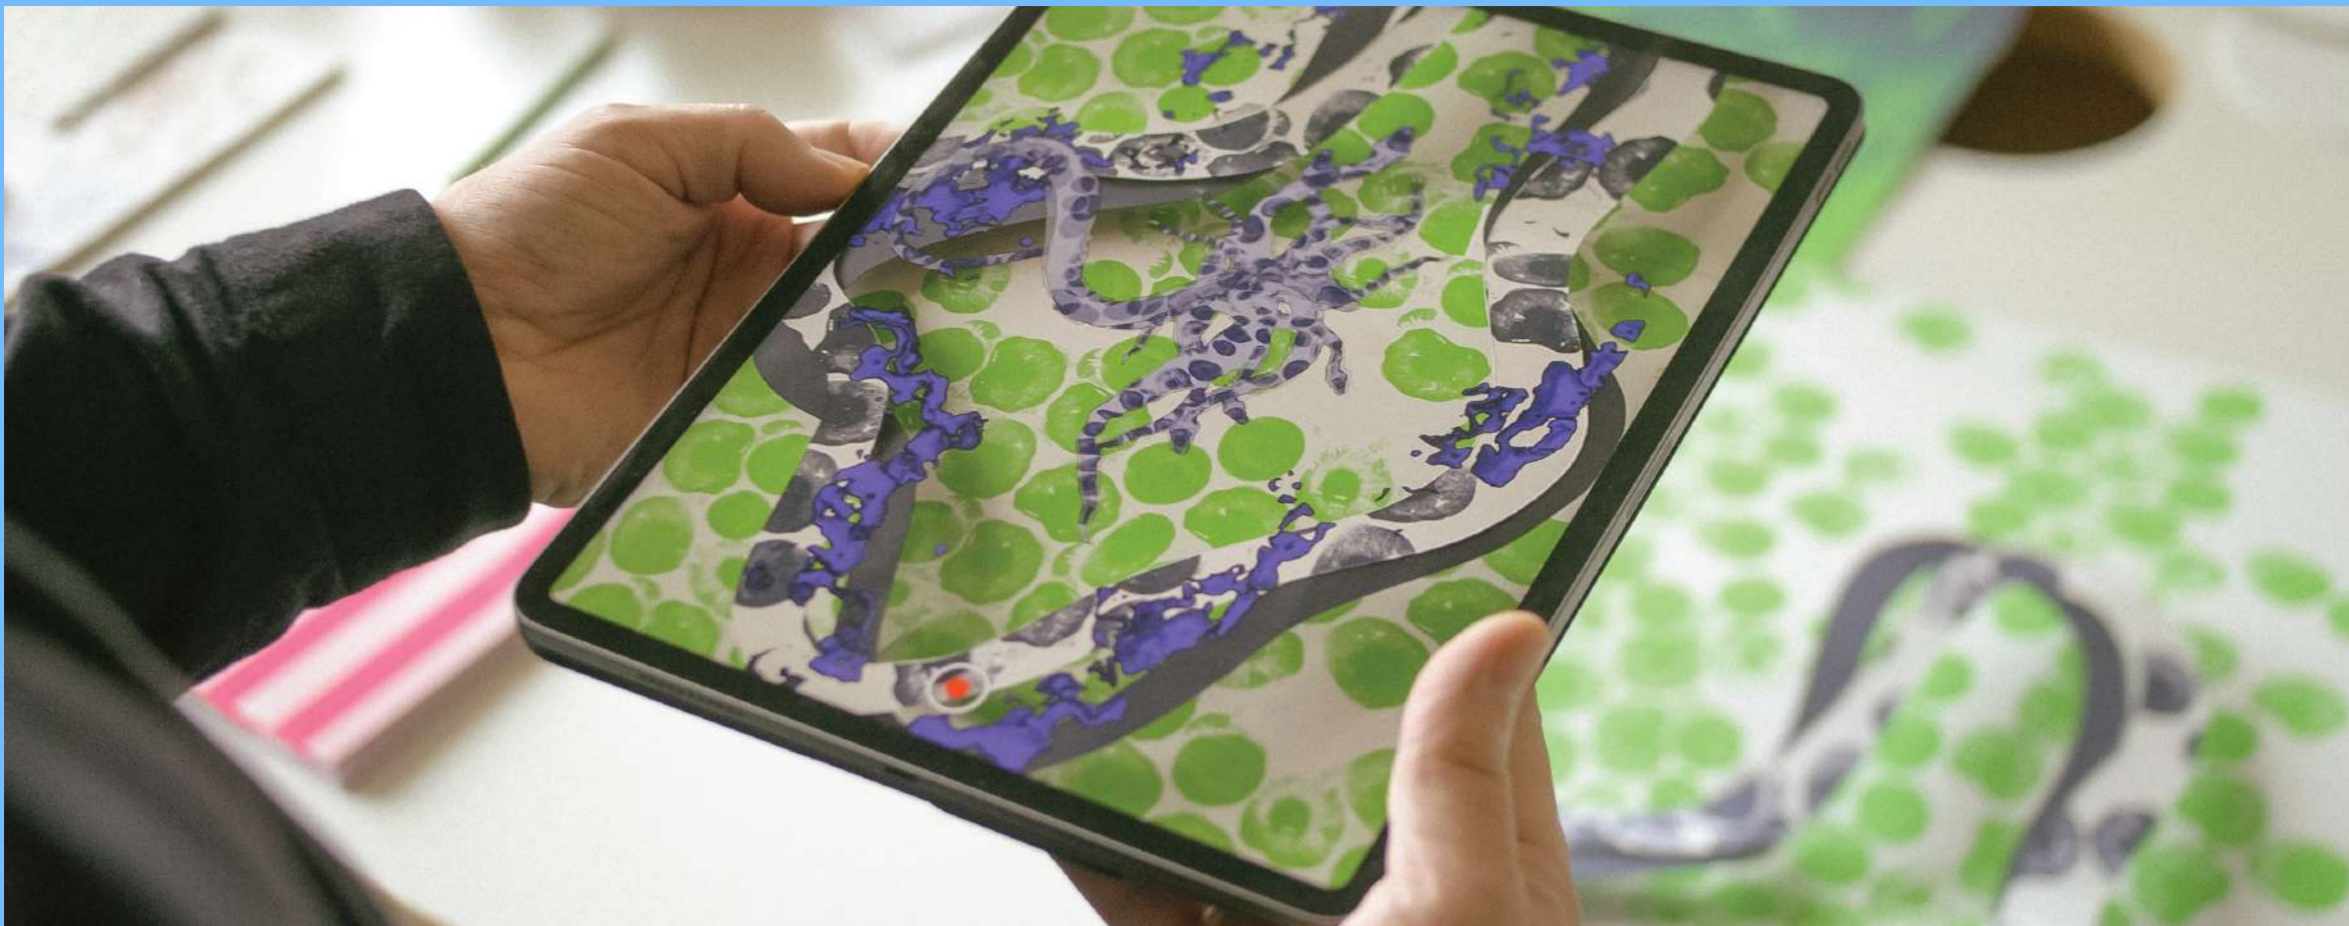

Deadline for applications:

Autumn semester/Full year - May 15th

Spring semester - November 15th

The applications will be considered by particular study departments and will be accepted or rejected depending on the quality of the submitted portfolio and the availability of places within the departments. As every department has their own selection criteria and different resources, comments on application rejections are not provided.

Please note that submission of the application does not necessarily guarantee you a place for an exchange.

Language of instruction:

We require incoming students to have a B2 level in English. We do not ask for language certificates but rely on the fact that partner universities ensure adequate English language level of their students during the selection process.

Please note that the main language of instruction is Lithuanian and some speciality subjects will be taught in mixed groups with English support (tasks, comments and Individual tutorials are available in English depending on the particular study department).

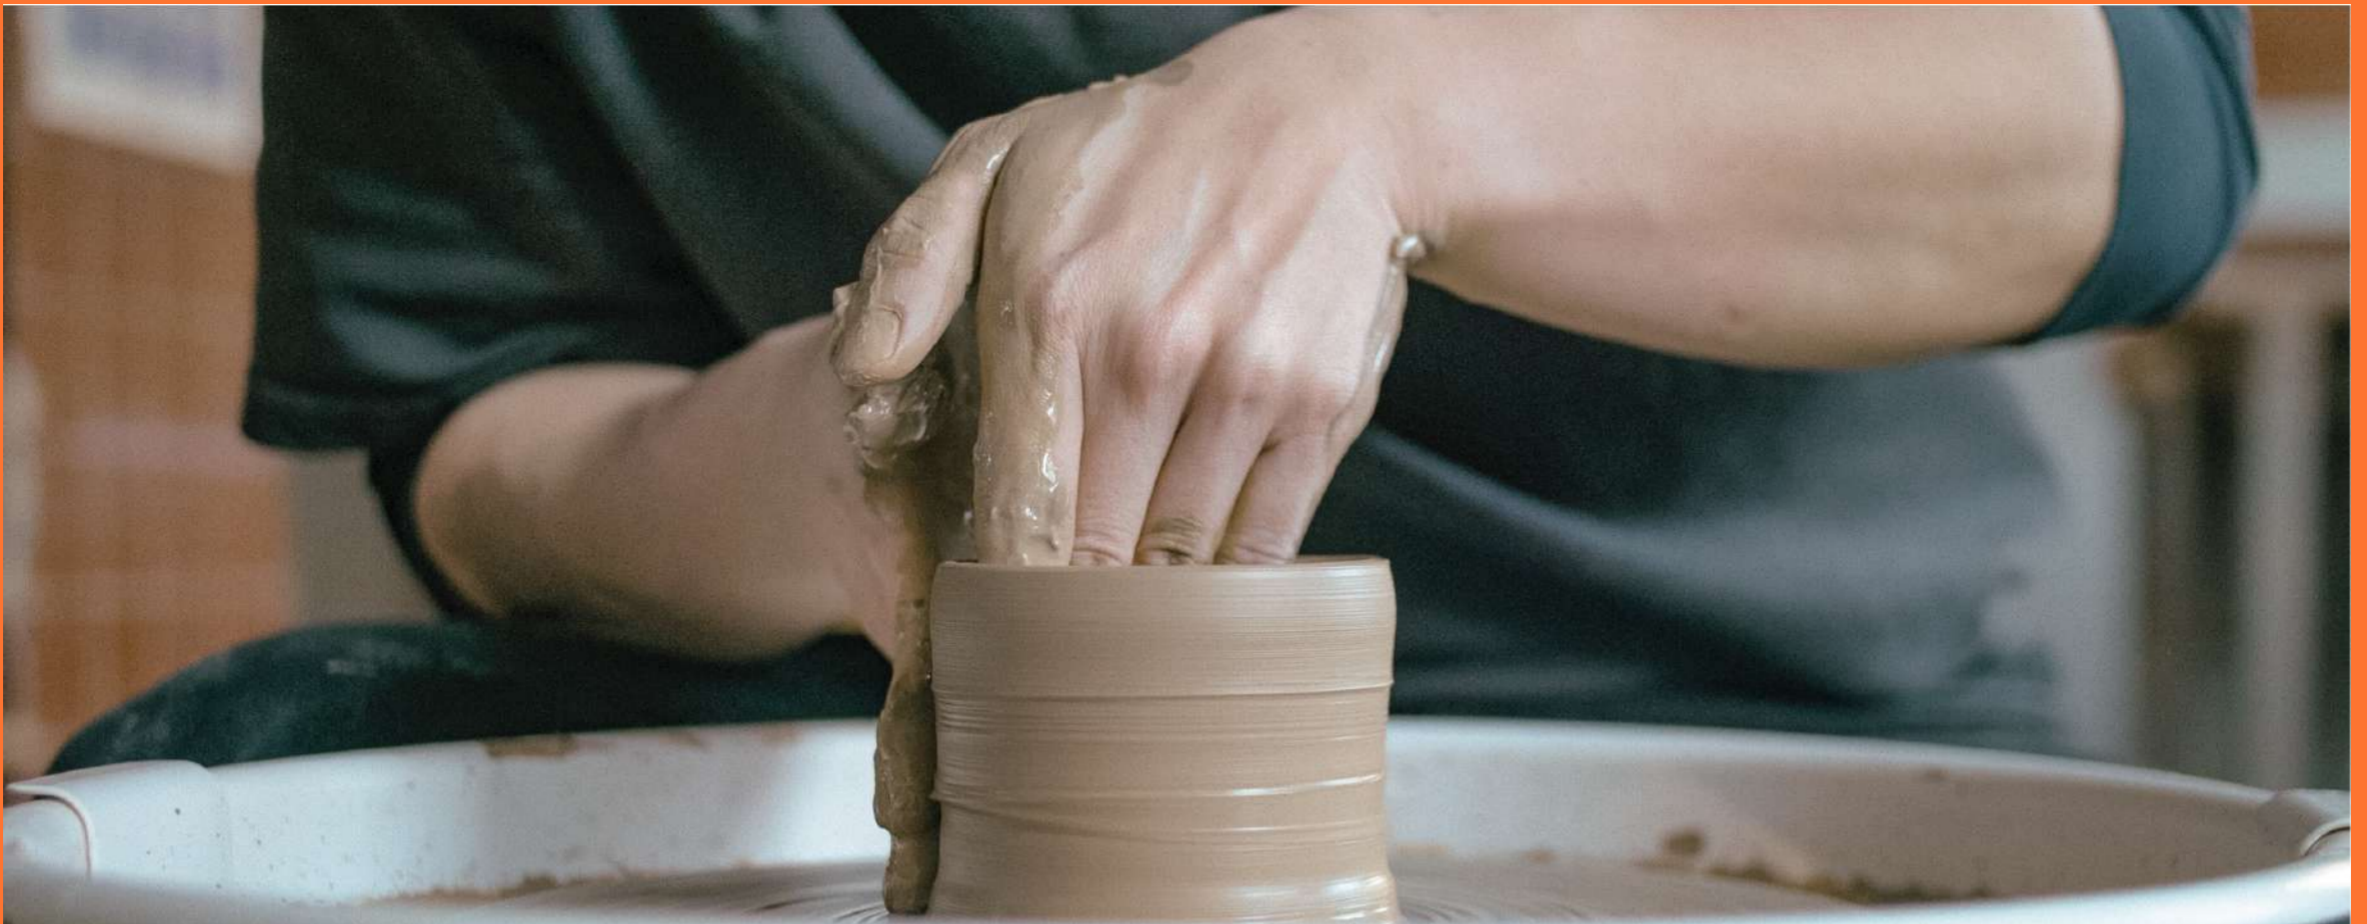

There is also a range of available elective courses for exchange students, which are taught entirely in English.

Academic Year:

Autumn semester: from September till the end of December
Spring semester: from February till the end of May
